

Product Type **Contact**

Wire Size **18 – 16 AWG**

Wire Size **.8 – 1.4 mm²**

Connector & Contact Terminates To **Wire & Cable**

Contact Current Rating (Max) **13 A**

Circuit Application **Power & Signal**

Contact Type **Socket**

Operating Temperature Range **-55 – 90 °C**

Wire Insulation Support **With**

Mating Pin Diameter **1.57 mm**

Contact Base Material **Brass**

Contact Mating Area Plating Material **Precious Metal**

Contact Mating Area Plating Thickness **.38 µm**

Contact Termination Area Plating Material **Tin**

Contact Termination Area Plating Thickness **1.27 µm**

Termination Type **Crimp**

Accepts Wire Insulation Diameter Range **2.03 – 2.54 mm**

Contact Underplating Material **Nickel**

Underplate Material Thickness **.76 μ m**
