Certificate of Compliance

Restriction of the use of certain Hazardous Substances (RoHS)

Continental Device India Limited (**Supplier**) certifies to **Electronica Elemon S.A, Argentina** that, having made full and careful enquiry:

- (i) all of the materials, components, assemblies, equipment or other products or any parts of such products which are listed on the attached schedule (the **Products**) are in full compliance with EC directive 2002/95/EC (the **RoHS Directive**), EC directive 76/769/EEC (Restrictions on the marketing and use of certain dangerous substances and preparations), as amended and the national or regional legislation of member states within the European Community implementing such directives (the **Applicable Legislation**); and
- (ii) EITHER the maximum concentration values by weight in homogenous materials for the substances referred to in Article 4(1) of the RoHS Directive that are contained in the Products do not exceed the maximum concentration values of 0.1% in respect of lead, mercury, hexavalent chromium, polybrominated biphenyls and polybrominated diphenyl ethers and 0.01% in respect of cadmium OR the use of such substances at higher concentrations is exempt under the Annex to the RoHS Directive (in which case the Supplier will identify clearly each relevant product and the exemption that applies to it) .

The Supplier confirms that this certificate will apply to all future supplies of the Products to **Electronica Elemon S.A, Argentina** unless the Supplier informs the relevant member of the Electronica Elemon S.A, Argentina in writing at the time of order of any non-compliant Products. The Supplier will inform the **Electronica Elemon S.A, Argentina**, immediately that it becomes aware that any applicable exemption is being amended or withdrawn.

Continental Device India Limited confirms that **Electronica Elemon S.A, Argentina** is entitled to rely on this certificate for the purpose of providing information to its customers on the compliance of products supplied by Continental Device India Limited with the Applicable Legislation and to provide copies of this certificate to its customers and to authorities involved in the monitoring or enforcement of the Applicable Legislation.
